

Folkloristika, izda fil-fehma tieghi naqset miss-sens spontanju li bih kienet issir qabel. Fid-dehra kollox jibda bi spirtu altruwistiku u filantropiku, izda mal-medda taz-zmien kollox jinbidel, u hekk gara minn din il-lejla ta xalar ghall-Imnarja. Forsi n-nies jieħdu pjacir izjed billi qieghed isir, u jekk ha hekk, jiena nifrah, ghaliex kullma jsir ghandu jkun ghall-dan il-ghan.

In collusion, it is worthwhile visiting our Bibliotheca where one can find various manuscripts containing pictures or drawings of male and female costumes. Outstanding artists who made use of their art to illustrate such costumes, are F.Zimelli, C.De Brocktorff, H.Bollanti, Edward Caruana Dingli, Gianni Velia and others. Modern reproductions are now available, and the original engravings or lithographs in colour are very much sought after.
