

# The Last Tap of Love

—:0:—

Man's strongest and worthiest affection is his last—  
 the one that unites and embodies all his past dreams of what is  
 excellent,—  
 the one from which Hope springs out brighter from former  
 disappointments,—  
 the one in which the Memories are the most tender and the  
 most abundant,—  
 the one which, replacing all others, nothing hereafter can replace.

A. BENCINI
